CLOUD INFRASTRUCTURE SERVICE LEVEL AGREEMENT

This Service Level Agreement is effective as of **November 1, 2026** between **Acme Global Technologies Inc.** ("Customer") and **CloudCore Systems Ltd.** ("Provider").

Provider guarantees **99.95% uptime** across all production clusters. In the event uptime falls below 99.95%, Customer is entitled to a **15% service credit** applied to the next billing cycle.

Total annual contract commitment is **$240,000.00** USD payable monthly within Net 30 days.

Section 7: Change of Control & Assignment
Customer shall not assign this Agreement without Provider's prior written consent. Any change of control, merger, or acquisition of Customer shall require prior written consent of Provider.

Section 8: Auto-Renewal
This agreement automatically renews for successive 1-year terms unless notice of non-renewal is provided at least 60 days prior to expiration.
